Grant Reminder for Audubon County Nonprofit Organizations

Brett Irlmeier of Audubon, Chair of the Audubon County Community Foundation, reminds Audubon County nonprofit organizations that time is growing short to submit spring grant applications, which are due no later than February 1, 2012. This year, \$95,000 are available to Audubon County nonprofits. Detailed application procedures, fact sheets, and a link to the application form can be obtained online at <http://omahafoundation.org/swiowa>. Applications will only be accepted through the online system. Contact any board member for additional information. Please contact Dennis Nissen at 800-794-3458 or dennis@omahafoundation.org or Denise Cardos at denise@omahafoundation.org with grant application-specific questions. All completed applications will be considered at the March board meeting with notification of results in early April.

Only 501(c)(3) organizations providing charitable services in Audubon County are eligible. They must be able to demonstrate broad community/county support. Requests for general operational funds will not be considered.
